This is to certify that Sri Brahmananda Chaudhury, son of Dr. S.C. Chaudhury of Suri, Birbhum, is a member of this organisation. He has been educated in this institution since his boyhood. He completed his training in Yoga under the guidance of Swami Satyananda and is adept in it. He has gone to foreign land in his cultural mission to propagate the spiritual ideals of India, as also to acquaint the people of the Western countries with the intricacies of Yoga System laying more stress on its applied side and we believe that this will go a great way in benefitting the people of the West who have already taken very keen interest in Yoga practices.
